HEALTH CERTIFICATE FOR MASSAGE THERAPISTS

All new applications for a massage therapist license and any other person who is renewing a massage therapist license must fully comply with the following code.

DeKalb County Code Section 15-269(A)(11) Reads as Follows:

Applicants for a massage therapist license shall provide a certificate dated within thirty (30) days of the date of application from a physician licensed in the State of Georgia, certifying that the applicant is in sound mental and physical health, and free of all contagious and communicable diseases.

Please schedule an appointment with your physician who will determine what type of examination is necessary to certify that you are free of all contagious and communicable diseases.

The Following Section is to be completed by the Physician's Office.

1. Patient's Name _____
2. Patient's Home Address _____
3. City, State, Zip Code: _____

I, _____, do hereby certify that the above referenced patient is in sound mental and physical health; free of all contagious and communicable diseases, and would not be a threat to health, safety, and welfare of his or her clients.

_____ Doctor's Name (Print or Type)	_____ Doctor's Signature	_____ Date
